## First National Greeted by Throng Tuesday

The Lemon Grove Branch of the First National Trust & Savings Bank of San Diego opened for business after a formal dedication Tuesday night, which was attended by more than 2,000 persons.

The large crowd filled the bank building for more than three hours, and at times overflowed to the sidewalk. First National officials and community leaders were present to greet visitors.

F. J. Belcher, Jr., president and board chairman, commenting on the large turnout of Lemon Grove residents for the opening, said: "We are gratified that this initial interest has confirmed our belief that the community wanted and is willing to support its own bank."

"The interest displayed by the hundreds of persons who came in to see the new branch and to become better acquainted with our plans in Lemon Grove is most encouraging. I feel sure that this addition to the community will be of mutual benefit both to the people of the area served and the First National Bank."

Three war bonds were presented to visitors who registered. The winners were Carol Winkles, of the Carol Ann Shop of Lemon Grove, who won a \$50 bond; and Mrs. I. Martin, R. F. D. 1, Lemon Grove, and Hubert Miller, 7953 Mt. Vernon street, Lemon Grove, who won \$25 bonds.

There were more than 300 children among the visitors who were given comic books and more than 1000 passed by the refreshment table.

Anderson Borthwick, executive vice president, said the physical facilities of the new branch are among the most modern and attractive of any branch bank that he has seen. "We wanted this office to be a credit to the community, and the many favorable comments from our friends and customers indicate that this goal has been achieved."

The number of new accounts opened during the first day of business, the demand for safe deposit boxes and the amount of new business showed that many of the visitors Tuesday night returned the following day to give the new office a good start, according to Jack W. Koop, branch manager.

The new office will be open from 10 a. m. to 3 p. m. on week days and from 10 a. m. to noon on Saturdays. In addition to Koop, four other members of the First National staff have been assigned to the Lemon Grove Branch. They are Bruce Harms, assistant cashier; Samuel W. Erwine, Jr., head teller; Nan MacDougall, escrow officer; and Marilyn Marcoux, safe deposit box attendant.

## New Gun Club Hears Talk on Fire Prevention

Philip W. Crosby, member of the Forestry Service, gave a most informative talk to the members of the new Gun Club of the Veterans of Foreign Wars, Post 2082, at the meeting at the V. F. W. hall here Tuesday evening. He stressed that with the coming of the hunting season, all participating should be advised on precautions to be taken in the field.

Smokers—Break matches before throwing it away and be sure it is out. Snuff out cigarettes in ash tray or rub out in soil and never throw one from a vehicle. Also remind others riding in the same car.

Camp fires—Have approval of land owner and secure permit. Leave at camp, grounds if possible and put water on fire or cover with dirt, then be sure it is extinguished.

Travel lightly, carrying first aid, sleeping bag, adequate water and rations, and never use tracer ammunition.

H. L. Jensen, Jr., is president of the Gun Club which will sponsor informative programs on the fourth Tuesday at the V.F.W. hall. Membership is open to all hunters, gun enthusiasts and target men.

## Pletschels Sell L. G. Review

By John T. Pletschet

We take this opportunity to announce that we have sold the Review to Mr. and Mrs. G. R. Graham of Alhambra, Cal. We have made this move to reunite our family. Could we have sold our newspaper in Canada first, we would have never thought of selling the local newspaper.

We wish to express our most sincere thanks to the people of Lemon Grove for the wholehearted support they gave us during the four months we were publishing the local paper.

We feel that it is important to point out that it is possible to move from one country to another and be successful in the newspaper field.

Arriving in Canada as an immigrant in 1919, we bought our first newspaper in 1922. Proof that international co-operation is possible is the brightest outlook we can have at the present time.

We came to Lemon Grove for health reasons. Health considerations will decide our next move. We have not sold our home yet and may continue to live in this the "Best Climate on Earth."

Again we express our most heartfelt thanks to all of our patrons. All we ask of you is to drop into the office at 7812 Broadway and meet Mr. and Mrs. Graham. You will then agree with us that we left the Review in better hands.

The new owners do not need an introduction to the people of Lemon Grove. Mr. and Mrs. Graham have been publishers in Southern California so long and so successfully that their record is sufficient introduction.

## BETTY SHEPARD A BRIDE

Mr. and Mrs. Eugene Shepard of Lemon Grove announce the marriage of their daughter, Eileen Elizabeth (Betty), to Gordon Laurence (Larry) Anderson of National City on June 19. The bridegroom is the son of Mr. and Mrs. J. L. Anderson. Mr. and Mrs. Shepard are giving a reception in honor of the newlyweds at their home on Sunday.

## Hi, Neighbor! Your Help Needed

Have you worked on the Community Center yet?

You know that you have an interest in that building—that is you will if you help build it. This project is going to mean much to you and the community at large.

The Center will provide a meeting place for youth organizations, therefore making it possible for an enlarged membership in such groups as the Scouts, Campfire Girls, 4H Club and others. In so doing it will take more children off the streets and put idle minds to work on beneficial projects.

When children are busy they are less apt to get in trouble. This thought, and get behind the Community Center project and help push it to completion.

The children are not the only ones who will benefit from having this building. Adults will have many occasions to use it. There are many Lemon Grove people using the Spring Valley Community Center for various events.

The Center is being built on School lane, between Central avenue and Golden. For further information call Chris Ferguson, H6-3963, or Charles Whitlock, H6-9314.

## Baptists in New Chapel Sunday

Members of the First Baptist Church are rejoicing in prospects of having their first services on Sunday in the chapel unit of their new building at Main and Burnell. Although the building is not completed, the seating can be made in the chapel very comfortably.

All other services will be as usual in the building at Central and School lane.

## CAMPBELLS HAVE SON

Mr. and Mrs. William Morris Campbell of Dallas, Texas, announce the birth of William Morris, Jr., on June 5. Mrs. Campbell is the former Sue Sandoz, daughter of Mr. and Mrs. Philip Sandoz of Spring Valley. The Campbells would like to hear from their many friends in this community. Their address is 4242 Easter avenue, Dallas, Texas.

## Horse Show Was a Huge Success Here June 19

More than 10,000 persons attended the Ninth annual Mission Rancho horse show sponsored by the Church of St. John of the Cross in Lemon Grove Sunday, June 19.

Two beeves were barbecued to feed the huge crowd at the noon hour and such was the demand that all of it was required to feed the throng.

The show was a complete success from every angle, and is one of the big events each year in San Diego county.

Due credit goes to the Rev. Fr. John W. McDonagh and his assistant, the Rev. Fr. Patrick Reilly, who was president of this

Only dates for Lemon Grove will appear under this heading but will not include dates for regular weekly meetings. Those will appear in news stories and elsewhere in the paper.

It is your department. Make use of it. Watch these dates, so as to prevent conflicting with other affairs when selecting dates for future events.

## SORRY WE'RE LATE

Much to the embarrassment of the new owners, the Review is late this week due to mechanical difficulties. We had hoped to give you a larger paper, starting with the first edition. If you like the Review this week, please let your neighbor read it and ask them to subscribe by coming to the Review office or phoning H6-1186. A few items of news left out for lack of space, will be printed next week.

Keep up to date. Carry your personal or business cards with you. We can do the job, at the Lemon Grove Review office.

## Young Swimmers Offered Lessons at Gillespie Pool

Through co-operation of the County Recreation Department, the Red Cross is giving the boys and girls of this community an opportunity to learn to swim or to improve their swimming. The lessons, which are free, will be given in Gillespie Pool from July 5 to August 26.

This is just another feature of the fine program which Red Cross presents in local service. Every boy and girl should know how to swim, not only for health and pleasure, but that they may be able to take care of themselves in the water. Countless lives have been saved by boys and girls who knew the rudiments of life saving in the water.

Due to the sizes of classes and depth of pool, this swimming instruction program is limited to children nine years or over.

Girls must wear bathing caps. During the following periods the pool will be used for instruction purposes only. This program will not interfere with the general public swimming time.

Tuesdays—La Mesa Area, girls only—9 to 12 years, beginners, 10 a. m. to 10:40; beginners, 10:40 to 11:20, 13 years and over, beginners swimmers, advanced classes, 1:20 to 12 noon.

Thursdays—La Mesa Area, boys only, 9 to 12 years, beginners, 10 to 10:40; beginners, 10:40 to 11:20, 13 years and over, beginners, swimmers, advanced classes, 11:20 to 12 noon.

The same periods will apply to girls from the El Cajon Area on Wednesdays and boys from that area on Fridays.

The bus will be at Casa de Oro at 8:55 a. m.; Spring Valley School, 9:00; Pal's and Gal's Club house, 9:05; Jamach and Sweetwater roads, 10; Monterey Heights Circle, 9:15; Lemon Grove School, 9:20; Vista La Mesa Church, 9:30; La Mesa School, 9:35; La Mesa Library, 9:40; Lemon Avenue School, 9:45. The round trip is 30 cents. Be at the stop early—and wait. The bus occasionally may be late. For further information call E. W. Goodall, H6-5916.

## Lemon Grove Y's Men Fete Boys

Approximately 75 boys of the fourth, fifth and sixth grades were guests of the Lemon Grove Y's Men's Club at the Padres-Hollywood ball game at Lane Field Saturday afternoon. The group met at the front of the First Congregational Church at 1:00 p. m. Fourteen Y's Men took the boys in their cars.

It is hoped that this will become an annual event for the Y's Men and the boys of the community. Members of the Club have been busy renovating and remodeling the garage on the Church property into a Boys' Club Room. This will serve boys from 10 to 12 years who are interested in hobbies and crafts.

The Y's Men convene in Friendship Hall on the second and fourth Wednesday evenings at 6:30 for a dinner meeting.

## A Word About The Publishers

The new publishers of the Lemon Grove Review are former Iowans who came to California 22 years ago. They operated newspapers at several locations in the midwest state before coming west. In 1930 they purchased the Review at Rosemead, Los Angeles county, which they operated for 15 years, selling in 1945 due to illnesses on the part of both Mr. and Mrs. Graham. Having regained their health, and finding idleness irksome, and the itching for printers ink too strong, they began looking for another location last fall. Seeing Lemon Grove for the first time a few weeks ago, and learning that the Review could be purchased, we decided that this was the place to re-engage in the newspaper business. We were fascinated by the many fine homes, the growing business district and the excellent climate of this area. We have two grown daughters, Mrs. Rae E. Long, who resides in San Diego and is technician for Clairrol, Inc., and Mrs. Maxine E. Warren, who resides in San Fernando. While residing in Rosemead Mrs. Graham was active in Federated Club work, having been treasurer of the Los Angeles County California Federation of Women's Clubs for two years and a member of the County Executive Board to eight years. She is a past president of the Rosemead Woman's Club and served for four years as a member of the Los Angeles County Republican Central Committee. She also served in Rosemead Community Church and in both Girl Scout and Boy Scout activities. Mr. Graham has been active in political and civic club circles, being the founder-president of the Rosemead Kiwanis Club. In Lemon Grove we hope to serve the community well through the work on the newspaper. We believe that a newspaper is the show window of the community, and we hope to make the Review reflect the beauties and glories and business and social developments of Lemon Grove to the world. We are here to stay. Being past the prime of life, we sought a place to work, relax and enjoy ourselves, and at the same time contribute something to the community in which we are to make our future home. The town in which we live is the best town in the world. Our motto has always been: "The community service we render is the rent we pay for the space we occupy upon this earth."

The anthem, "The Heavens Are Telling," was sung by the junior choir, members of which were: Sopranos—Barbara Korpman, Rosemary Blalock, Mary Burrows, Shirley Taylor, Gordon Whalen and Linda Stinson; altos—Judy Phillips, Barbara Bates, Valerie Loustalet and Ardell Torgerson. ### HAPPY BIRTHDAY!

Honoring their mother, Mrs. Mary H. Tanner, 7655 Lemon avenue, on her 85th birthday, Mrs. Sue Dore and Miss Anne Tanner received a group of her friends at her home last Friday afternoon. The time was spent in visiting. MMs. Tanner received many gifts, cards and flowers from relatives and friends who could not be with her. Her little four year old great grand daughter, Charlene J. Craig, of Santa Barbara greeted the guests and

when the birthday cake was served from the tea table, sang Happy Birthday to Mary. Mrs. Tanner was born in Georgetown, D. C., and came to California in 1910, purchasing a home in Lemon Grove in 1913.
